Coastal Virginia Offshore Wind (CVOW)

Underground Construction Update, Mitigation Progress and Next Steps for Neighbors

Scan the QR code or visit coastalvawind.com to learn more.

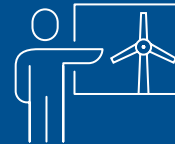

¿Habla español?
Visite coastalvawind.com.

Dominion Energy remains committed to being courteous and considerate throughout construction of Coastal Virginia Offshore Wind (CVOW). We are taking action to address concerns expressed by neighbors about our work at the State Military Reservation (SMR). We invite you to attend our Croatan community meeting to learn more about our work in support of CVOW, what we are doing to minimize disruptions, and what to expect next.

A presentation will detail our activities and mitigation actions. Our project team will be available to answer your questions and address any remaining concerns. We will conclude with an open house for more personalized discussions with individual neighbors.

We thank you for your patience as we address these concerns. As always, please do not hesitate to contact us by phone or email should you have any questions or concerns. We look forward to connecting with you at the meeting.

Wednesday, March 27, 2024 | 6 – 7 p.m.
Virginia Aquarium & Marine Science Center
South Building, Educational Hall
801 General Booth Boulevard
Virginia Beach, VA 23451
